JESSICA DID EVERYTHING SHE WAS TOLD
...OR SO SHE THOUGHT ... SHE RENTED
TWO HOTEL ROOMS AND TEXTED HER
BLACK MASTER WHEN SHE WOULD ARRIVE
... BUT WHEN SHE WENT TO HIS ROOM...

A woman with blonde hair, wearing a white, low-cut, long-sleeved robe with a large bow at the waist, stands in a hotel hallway. She has a thoughtful or perhaps regretful expression, with her right index finger pointing to her lips. To her left is a dark door with the number '162' on it. A red, glowing text effect 'DOOR SLAMMED!' is positioned near the door handle. A large, dark, cloud-shaped thought bubble originates from the woman's head, containing several lines of white text. The hallway has wood-paneled walls, framed pictures, and patterned carpeting.

JESSICA YOU IDIOT...
WHAT WERE YOU THINKING... A SEXY

SOME OTHER BITCH WILL BE SUCKING
